## MESSAGE

Sharing of information and data of contemporary agriculture research with specific reference to cotton crop, is the need of hour. Pakistan being a cotton based economy, aims to increase its share in USD 850 billion value added global textile market, and is under obligation to re-orient its market strategy to provide competitive edge to its textile sector. In this regard, Directorate of Marketing & Economic Research of Pakistan Central Cotton Committee performs commendable services for dissemination of statistics through its publications.

2. It makes availability of reliable data and facts on almost all aspects of cotton to keep various stakeholders in the country, updated. Dissemination of cotton data is also of prime importance for policy formulation. It is also important to mention that collection of statistics is a scientific process while presenting the data in accordance with user's choice and need is an art, which needs special training and skills and both these aspects are catered for in COTISTICS adequately.

3. Given this ability, I hope this publication will fulfill the requirements of all stakeholders pertaining to cotton producers, policy makers, scientists and researchers, and also officials related to investment and trade both at local and international level and it is indeed heartening to see that Pakistan Central Cotton Committee publishes annual cotton statistical bulletin; COTISTICS.

**(Hassan Iqbal)**  
Secretary

## MESSAGE

Dissemination is the release of data obtained from a statistical activity to users through various media. For each data release there is also a need to effectively communicate the data to stakeholders and a requirement to make known the availability of the release. Dissemination of Statistical data to all the stakeholders, policy makers, researchers and academician has remained key task of the Directorate of Marketing & Economic Research. Publication of Annual Cotton Statistical Bulletin (COTISTICS) is one of the bench mark of the Directorate of Marketing & Economic Research. There is no denial from the fact that data and statistics are pillars of applied and operational research.

Pakistan Central Cotton Committee has become a reliable organization for dissemination of facts and figures regarding cotton production and market. Hundred of organizations nationally and internationally conduct research on the base of published data in the COTISTICS. In order to create convenience for research, the data is placed on the web site.

Pakistan Central Cotton Committee will continue its all publications and will be catering stakeholders country-wide.

( DR KHALID ABDULLAH )  
Vice -President,  
Pakistan Central Cotton Committee

## FOREWORD

Since its establishment in early 70's, the Directorate of Marketing & Economic Research, PCCC carries out studies on marketing research, economics research and cotton development programs relating to production, trade and its utilization. The results of these studies and investigations are disseminated widely for the benefit of all concerned with cotton production, marketing and its utilization. Dissemination of the information about research and market trend is focus of the Directorate of Marketing & Economic Research. It makes availability of accurate data and facts on all aspects of cotton and keeps update to each stakeholder in the country and international cotton agencies. This imperatively needs disseminating the required information to all concerned in the form of a statistical bulletin namely "COTISTICS" which since its first appearance in 1971 has been rendering useful service and has earned commendation from public and private organizations.

"COTISTICS" is published annually and the coverage in this bulletin has expanded steadily. The main items include area, production, yield, exports, imports, ginning, pressing, stocks, cotton products, prices and international statistics. The data in the tables are expressed in both English and Metric Systems and all time series are for the cotton season i.e., August-July, unless otherwise specified.

Directorate of Marketing & Economic Research, Pakistan Central Cotton Committee is grateful to all Government, Semi-Government and Private Organizations and specially to the Federal Ministry of Commerce & Textile Industry, Provincial Agriculture Departments, Pakistan Bureau of Statistics, Textile Commissioner's Organization, Karachi Cotton Association, Pakistan Cotton Ginner's Association, All Pakistan yarn Merchants' Association, Karachi Grain and Seeds Merchants' Group and various Mandi Committees for their help and support without which this publication would not have been possible.

(Dr. MUHAMMAD ALI TALPUR)  
Director, DM&ER, PCCC, Multan
